

The Hong Kong Girl Guides Association
COVID-19 Safety Measures and Guidelines for Adult Members Face-to-face Meetings and Training Activities

In times of COVID-19 epidemic, ALL face-to-face meetings and Training Activities should obtain approval from respective Assistant Chief Commissioner/Deputy Chief Commissioner. These meetings and Training activities only allow adult members to participate, and should comply with the requirements stipulated under Prevention and Control of Disease (Prohibition of Group Gathering) Regulation (Cap.599G) and strictly adhere to the following guidelines of the Association:

1. Adult members should wear surgical masks in all areas while attending approved training activities or face-to-face meetings.
2. ALL approved face to face meetings and training activities should designate a person to take temperature screening for all staff and participants. All participants are required to submit the “Declaration form for travel history and health status” to the person-in-charge.
3. Anyone under the following circumstances must not attend related face-to-face meeting or training activities:
 - (1) fever ;
 - (2) feeling unwell ;
 - (3) had contact with confirmed cases of novel coronavirus infection in past 14 days ;
 - (4) undergoing medical surveillance after returning to Hong Kong ; or
undergoing medical surveillance after returning from the countries with quarantine restrictions imposed by the HKSAR Government.
4. Reduce unnecessary social contact such as shake hands or chit chat during the event.
5. No food and drinks are allowed for any occasion.
6. The above arrangements are effective immediately until further notice.

Note : Rangers (including aged 18 or above) are classified as youth member but NOT adult members.
