The Guinness World Records

“Largest martial arts lesson”

The theme of “Annual Parade and Awards Presentation 2017” is related to “Wu Shu”. To celebrate the 101st establishment of The Hong Kong Girl Guides, a 30 minutes special Wu Shu lesson was designed for 3101 Girl Guides. All of the 3101 Girl Guides members will set a Guinness World Records which named as "Largest martial arts lesson" together.

A very special souvenir badge which is based on the concept of “Wu Shu” is designed for all participants. There is a girl who was created with Chinese paper-cut effect, dressing in blue which similar to the color of our Guide section uniform and posing with a fan. It records the setting of Guinness World Records by learning martial arts.

Souvenir Badge Design

朱偉旗女士 Ms Vicky Chu

District Commissioner (Tin Shui Wai West)

The idea of the badge design revolves around the theme of this year's event - martial arts (Wushu)

The badge is in fan-shaped, as our souvenir will be paper fan this year. There is a girl who created like Chinese paper-cut, dressed in blue, like our Guide section uniform, is posing with a fan, projecting the event content of learning martial arts together to create a world record.

Both the English and Chinese title of the event: 'Hong Kong Girl Guides Annual Parade and Awards Presentation Ceremony 2017' and the theme of the event: 'Break Through, Act Out 101' is written on the badge. The word 'Wu' is written in Chinese calligraphy is trying to highlight the theme of the event. On the other hand, the '0' of 101 is represented by our HKGGA logo, representing the establishment of 101 years.

The Guinness World Records trademark will also be printed to give voice to this remarkable activity.
